DATE April 28, 1983 _____

DEPARTMENT _____

On Wednesday, April 20, 1983, this office received a call from the fire department about a gasoline spill on the parking lot of the Wal-Mart at 1701 W. Kearney. A woman had punctured the gasoline tank on her car and lost approximately 20 gallons of gasoline on the lot. The firemen were in the process of washing down the lot when I arrived at 11:30 A.M. The gasoline and water drained into a dry storm ditch on the south side of the lot, where it evaporated.
